Andy has had conversations with Sport Manawatu and they have indicated that this event cannot go ahead under the red traffic light system. The club also holds a social responsibility for un vax kids and this event poses too many risks. Andy to draft a cancellation note for Tia and Jo to post on social media to cancel the event. The ITTT's sub committee have all agreed this cannot go ahead under the red traffic light system.

*It was moved that the ITTT event for 2022 be cancelled.*

Spot prizes and stock so far has no dates on them any more - can be used next year. Sponsors have paid for the t shirts so can be re used next year. All the other gear used for spot prizes will carry over for next year.

Toyota and Crank it - major sponsors have been contacted and all other sponsors thanking them in their involvement so far and explaining the cancelation. Andy will also contact everyone else related to the event to explain our circumstances
